**TRANSPAK ACQUIRES DIXIE BOX & CRATING OF DALLAS**

**San Jose, Calif. (May 1, 2011)** – TransPak, the worldwide market leader in crating, packaging and logistics today announced that it has acquired Dixie Crating of Dallas, Texas.

“Dixie has been providing complete supply chain solutions with proven ability to provide crating, freight forwarding, onsite packing and crating,” said Bert Inch of TransPak. “We are pleased to have Brad Cox, Audrey Putnam, and Joe Goodman joining our TransPak team and to have this opportunity to expand our footprint to the Dallas-Ft. Worth markets.”

The only company in the industry to specialize in packaging, crating and logistics to deliver quality, state-of-the-art, door to door solutions for its manufacturing partners, TransPak has a proven history of providing value to customers in the oil, gas, semiconductor and communication industries. Bob Lally, President of TransPak, said, “TransPak expansion into the Dallas-Ft Worth area adds 33,000 sq feet of warehouse space and gives us a greater ability to service our customers needs in a key hub in the global supply chain.”

TransPak has been a key partner to leading technology companies for decades. Founded in 1952, the company is headquartered in California’s Silicon Valley and today provides custom crating, packaging, and logistics support to top companies in the semiconductor, aerospace, medical equipment, security, and solar industries.
